Dear Mr. Dine:

Please be advised that the Review Committee of the North Central Region, Boy Scouts of America, met on February 22, 1991 and reviewed information related to the denial of your registration with the organization.

It was their decision that the action of your Scout Council, denying your membership, be upheld.

Should you wish to pursue the matter further, you may do so through our National Review Committee. This must be done through the Office of the Chief Scout Executive within the next sixty days.

Yours truly,

Dear Paul:

Some additional information concerning the Daniel R. Dines we have referred to you for removal from the registration files.

I checked personally with the Wood River Police Department on 9/24/90 concerning the charges against him. The Police Chief told me he had been arrested on a charge of Contributing to the Sexual Delinquency of a Minor. He was found guilty and given one year of supervision and continued mental health counseling.

I think he plans to pursue an appeal. I gave him (again) the copy of the appeal procedure and the name and address of the Regional Director.

Sincerely,

  
Carl E. Timmins

Mr. Daniel Russell Dine

Bethalto, IL 62010

Dear Mr. Dine:

After careful review, we have decided that your registration with the Boy Scouts of America should be denied. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America. A refund of your registration fee is enclosed.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to refuse registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a BSA regional review committee, please write to the regional director within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

Carl E. Timmins  
Scout Executive

CONF006117

September 24, 1990

MEMORANDUM

Last Friday afternoon, September 21, Daniel Russell Dine, serving as Assistant Scoutmaster of Troop 35, Wood River, Illinois was invited to meet with Council President Richard R. Thompson, and Scout Executive Carl E. Timmins.

When Mr. Dine arrived, he was informed by the Scout Executive that a concerned mother had called the office following a School Night For Scouting meeting in her school to inform us that she had seen a young man, who she identified as Daniel Holmes, wearing a scout shirt that identified him as a leader in Troop 35. She went on to assert positively that Holmes had been arrested, tried and convicted some ten years ago of molesting her child. One of our den leaders also knew the man, but as Daniel Dine. The Scout Executive called the Wood River Police Department. They confirmed the charges. The den leader identified Dine by photo.

Mr. Dine made no denials of any of the charges. He said he changed his name because of continual harassment, and said he got into Scouting because he thought he could learn something.

The letter denying his registration, an attachment outlining his appeal rights, and his registration fee of \$7.00 were handed to him. He was advised not associate himself with Scouting in any way from that time on until such time as a review might be held.

Respectfully submitted:

Carl E. Timmins  
Scout Executive
